Ernest A. Steuding, superintendent of the Board of Public Works, announced this morning that 49 laborers were discharged from employment with the board last night.

The men were all short-term employees hired this spring or summer, Steuding said, and had been employed in highway maintenance and removal of leaves.

Leaves and other fall debris have been "pretty well cleaned up," Steuding said, and the B.P.W. will have no need for additional employees until snow falls. None of the approximately 60 permanent Civil Service employees of the department were included in the lay-off, Steuding said.

100 Teachers Will
Be at ConventionEmpire State Federation
Parley Scheduled
for Week-End

About 100 delegates are expected to attend the fourth annual convention of the Empire State Federation of Teachers' Unions in Kingston Saturday and Sunday at the Governor Clinton Hotel, it was learned today.

Kingston Local, 701, Harry Struifer president, will be hosts. Miss Sally Gallagher, general chairman, will be in charge of all arrangements.

Delegates will arrive Friday and most of the sessions will be devoted to pending legislation concerning federal aid to schools, teachers' salaries, the new merit-rating bill, the welfare of pupils and other educational problems.

The federation is affiliated with the American Federation of Teachers and with the New York State Federation of Labor and local A.F. of L. groups in each city represented. Joseph P. Landis, Cleveland, who is the national president, is expected to be present.

During the dinner meeting scheduled for the main ballroom Saturday evening two prominent speakers will be heard. One is Dr. George S. Counts, former president of the American Federation of Teachers, who will talk on "The Teacher and the Labor Union Movement."

Other Guests

Guests at the convention include Mrs. Rebecca Simonson, president of the New York Guild Local 2, who will endeavor to help with organization problems; Dr. Abraham Larkowicz, principal of Samuel Tilden High School, Schenectady; president of the state federation and president of Schenectady Local 803, Mr. Boehm is a head coach at Notch Terrace High School.

Some of the committee heads who will be in attendance include Kenneth Maxson, Mount Vernon, organization; Michael Huffer, Yonkers, constitution; Elliot Binnham, resolutions; Miss Marie Connean, Utica, nominations.

Other delegates will include Dr. Clifford Edwards, Carolyn Davis, New Rochelle; Dr. William Wuch, Mrs. Clara Gluck, Randolph, Buffalo; Jacob Goldstein, Niagara Falls; John Ewald, Rochester; Nicholas Vacca, Schenectady; and Miss Nona Donnelly, Sloan, N. Y., in addition to many others.

Agrees With Truman

Washington, Nov. 6 (AP)—Speaker Martin lived up with President Truman today in opposition to any tax reduction legislation at the special session of Congress starting November 17. Martin (R-Mass.) told a news conference he believes the special session will be kept too busy considering foreign aid and price legislation to take up taxes.

Board of Directors Will
Hold Meeting; Will
Decide Premium
Payments

Proposals which may lead to extending the annual Ulster County Fair for at least two or three days will be discussed at a meeting of the Board of Directors of the Ulster County Agricultural Society at 74 John street Tuesday, it was announced today.

All persons interested are asked by the organization to submit suggestions on the proposal. No definite plans have been suggested to date as to extension of the fair beyond the usual one day, but the organization has noted enough interest in the proposal to warrant the discussion next week.

The agricultural society is meeting more specifically to complete arrangements for the payment of premiums at this year's fair amounting to \$5,123.

The discussion of the extension of the fair will be mainly a preliminary weighing of the merits of the proposal.

The annual farmers' picnic held annually for the past several years at Forsyth Park has been meeting with encouraging success. It was instituted soon after discontinuance of the Ulster County Fair at Ellenville and has become an important institution in the county.

Another Resignation
In O'Dwyer Cabinet

New York, Nov. 6 (AP)—In the fourth top-level shake-up of his cabinet, Mayor William O'Dwyer has announced the resignation of City Commissioner of Marine and Aviation Frederick G. Reinicke, effective Dec. 1.

In a letter to the mayor, made public yesterday, Reinicke said he was leaving his \$11,000 a year post because he had found it impossible to carry out plans for rehabilitation of the Port of New York.

The mayor said Deputy Commissioner G. Joseph Minetti would become acting commissioner Dec. 1.

Disclosure of Reinicke's resignation came two days after the resignation of Dr. Israel Weinstein as commissioner of health. The recent series of sudden shifts began Oct. 22 when John Spillane was transferred from public works commissioner to head the City Purchase Department.

On Oct. 24 Edward E. Rhatigan resigned as welfare commissioner and was replaced by Benjamin Fielding, former commissioner of licenses. The City Welfare Department is being investigated by the State Social Welfare Department.

Horticultural Group
Will Select Speakers

The program-planning committee of the eastern meeting, New York State Horticultural Society, to be held on this city January 28, 29 and 30, will hold an all-day session at the Governor Clinton Hotel Monday, it was announced today.

The committee will outline the general program and select speakers for the annual session which has been held in Kingston for the past several years.

Luckman Gets Chickens

Washington, Nov. 6 (AP)—Crates of live chickens arriving in Washington consigned to Charles Luckman, chairman of the Citizens Food Committee, which is sponsor of Poultryless Thursday. A committee official wryly acknowledged the shipments today, telling a reporter they are coming from poultry producers in upstate New York and are being preceded by telegrams saying in effect: "I can't sell these chickens and can't feed them, so I'm forwarding them to you." Committee aides hastily made arrangements with the Salvation Army to pick up the crates at Washington's Union Station, thus forestalling delivery of the cackling fowl to the venerable State Department building where Luckman maintains his office.

Information

New York, Nov. 6 (AP)—Mrs. Doris Coppola, 25, and her father, David Lehman, 63, have been indicted by a grand jury on charges of perjury in connection with testimony on phases of the Election Day slaying of Joseph Scottoriggio last year, the district attorney's office announced today.

District Attorney Frank S. Hogan said the two were indicted as a result of testimony regarding their whereabouts from last November until August of this year when they allegedly hid in Providence, R. I.

They surrendered last July and have been in jail as material witnesses since in the Scottoriggio case. Scottoriggio, a Republican worker, died as a result of beatings suffered on Election Day, 1946.

When the two arrived at the district attorney's office today they were accompanied by Mrs. Coppola's husband, Michael (Trigger Mike), described by the district attorney as an underworld character. He also is held as a material witness in the case.

Coppola told reporters, "If this happened in Germany they'd call it persecution. Here it's called prosecution and they get away with it." He added that his wife was expecting her third child in March.

Scottoriggio, a district worker for Frederick W. P. Bryan, unsuccessful Republican congressional candidate against Rep. Vito Marcantonio, American Labor Party, died November 11 after having been beaten on his way to the polls.

Although the case is nearly a year old, police say 100 detectives still are working on it. More than 200 witnesses have been questioned and re-questioned by three grand juries. Besides the Coppolas and Lehman, two other witnesses still are held in jail.

They are Joey Rao, whom police identify as a Harlem gangster, and Mrs. Blanche Del Giudice of Providence, R. I., in whose home Mrs. Coppola and her father allegedly were harbored for eight months after the Scottoriggio beating.

Mrs. Coppola and her father have been held as material witnesses in \$15,000 bail each.

Truman Will Offer Own
Tax Program to Congress

Washington, Nov. 6 (AP)—The Truman administration is definitely planning to offer its own tax program to Congress some time next year.

Officials in a position to know made that clear today. But they added that details are still to be decided.

Indications are that the program will stress "revision" and "reform" of the tax system over outright cuts.

The biggest certainty is that there will be no proposal resembling the twice-voted \$4,000,000,000 bill which Republican sponsors have promised to revive at the outset of the special session of Congress opening November 17.

Those two measures would have cut individual income taxes by from 30 per cent for low income groups to 10.5 per cent for those in the top brackets.

Well-known authorities cite as a public tip-off to the administration's intentions to come up with its own tax proposals in 1948 the treasury's performance at a House ways and means committee hearing Tuesday on tax treatment of farm cooperatives.

Republican committeemen were seeking first a treasury recommendation of some kind on co-op taxation and then even a commitment to supply a recommendation by Dec. 15. But the G.O.P. lawmakers got from Undersecretary A. Lee Wiggins only this: "A non-committal summary of an equally non-committal, 68-page study of the co-op tax question, (2) a polite but firm refusal to present a recommendation this year, and (3) advice to do nothing until the treasury has finished reviewing the whole tax system."

Molotov Says Atom Bomb Secret Ceases,
But Says U.S. Expansionists Are Under
Illusion of Strength, Because of BeliefHughes Aides Say
Committee Won't
Allow TestimonyFerguson Says Hughes Will
Be Given Time to
Talk; Issue
Is Taken

Washington, Nov. 6 (AP)—Representatives of Howard Hughes complained today the Senate War Investigating Committee unfairly is denying them the opportunity to answer an assertion that Hughes owes the government \$5,919,921 more in taxes for two war years.

Committee Chairman Ferguson (R-Mich.) contended, however, that Noah Dietrich, executive vice-president of the Hughes Tool Co., told him he did not want to resume the stand at once. Dietrich was the witness when hearings recessed yesterday.

Ferguson told reporters Hughes officials will be given full opportunity to give evidence later.

Tom Slack, Hughes' attorney, voiced the complaint that he and Dietrich had been refused a request to testify on the profits and taxes issue which was injected into the hearings yesterday by Senator Williams (R-Ill.).

Slack told newsmen that "later won't do us any good. Everybody will have forgotten about it." He added:

"The direct result of this situation is that the committee has employed a man to take the Hughes tax returns and go over them on behalf of the committee, and attempt to intervene with the normal functions of the office of the commissioner of internal revenue."

"Unlike the committee, the Internal Revenue Department has heretofore operated on a basis of complete fairness and has permitted the taxpayers to know all the arguments in tax cases."

Dietrich took sharp issue yesterday with the statement read by Williams to the committee of which he is a member. And as the hearing recessed, the Hughes official told reporters:

"I am going to take the stand and show just what the Hughes losses were on war contracts."

Williams' statement, which was put into the record, said a study of tax records of Hughes and his companies show a "tax deficiency of \$5,919,921."

Argue Two Hours

Williams, Dietrich, and Slack, who also was sworn as a witness, argued for nearly two hours then over what Hughes meant last August when he contended neither he nor his company made a profit "as a result of the war."

Ferguson made clear that "no crime or fraud" on the part of either Hughes or his companies is involved.

Before the hearing resumed today, Slack told reporters that so far as he knows it is unprecedented for a Senate committee to send anyone to the Internal Revenue Department "to advocate or persuade the commissioner to take one view or another with respect to an individual's taxes." He added:

"We intend to try our tax cases as heretofore in the tribunals set up for that purpose. We could not obtain a fair trial or those matters."

American Demands
May Force Russia
To Report StandFormal American Policy
For London Meeting
Not Disclosed at
Capital

Washington, Nov. 6 (AP)—Mounting American demands for an early peace settlement in Europe seem certain today to force a United States-Russian showdown in the big four foreign ministers' meeting at London later this month.

Some authorities believe that if the London conference fails to make definite progress on a German peace treaty and to complete an Austrian settlement, the last vestige of great power unity as symbolized in the conferences of foreign ministers may be destroyed.

Formal American policy for the London meeting remains to be disclosed. But it appears certain that Secretary of State Marshall will give serious weight to proposals by former Secretary James F. Byrnes and Senator Vandenberg (R-Mich.) that Russia's veto in the foreign ministers' council no longer be allowed to stand in the way of at least a partial European settlement.

Byrnes in a speech at Winston-Salem, N.C., last night, predicted in effect that the foreign minister system of peace making would fail to produce an early German settlement and proposed that the United States take the lead in calling a formal peace conference for early next year.

If the Russians refuse to join in calling the conference and to abide by its decisions, Byrnes declared, "then the other allied nations should go ahead without them."

"This would not be making a separate peace," he added. "It would simply be saying that no one is going to wait for them."

Activation Program
To Be Held Nov. 13

Activation night for the 156th Field Artillery, with ceremonies at the state armory on Manor avenue, will be Thursday, November 13, it was announced today by Capt. Hervey Keator, public relations officer for the local military organization.

Capt. Keator said that Lt. Col. Frank W. Harkins, commanding officer of the 156th, was planning an elaborate program to be attended by leading military men and civic officials. The public will be invited. Full details will be announced as soon as plans are completed by Lt. Col. Harkins.

Big Four Deputies
Tackle ProblemsAtmosphere of Pessimism
Is Involved in
Writing Treaties

London, Nov. 6 (AP)—Deputy foreign ministers of the big four met today—in an atmosphere of pessimism—to tackle the tough, deadlocked problems involved in writing peace treaties for Germany and Austria.

The deputies, charged with doing the spadework for a meeting of the Council of Foreign Ministers here on November 25, convened amid reports that Britain, France, Russia and the United States were as badly split as ever on the major issues in the two treaties.

Some informants, unofficial but usually reliable, said the rift had developed so far that the United States already had drafted a plan which would amount to a peace pact with that portion of Germany outside the Russian-occupied eastern region.

Two Cars and Building
Are Damaged in
Accident; Woman
in Hospital

A hit-and-run truck driver Wednesday afternoon caused injury to one woman and considerable damage to two cars and a building at the foot of Wurts street near the Rondout creek bridge, Kingston police reported.

Injured was Mrs. Mathilda Lawatsch, 57, of 109 East Chester street, Kingston, who was taken to Kingston Hospital in a Conner's ambulance. X-rays disclosed she had sustained two broken ribs. Her condition this morning was reported as good.

According to the police report of the accident, Mrs. Lawatsch was sitting in the front seat of an automobile owned by her husband, Emil H. Lawatsch, which was parked in front of 9 Wurts street.

At about 5:05 p. m. yesterday a truck coming south on Wurts street struck the rear of the Lawatsch car, pushing it into a truck owned by David Rock, 3 Grubb street, Poughkeepsie, and driven by Evelyn Rock of the same address, which was parked in front of 7 Wurts street.

The Rock truck in turn was forced over the curb and struck the building at 7 Wurts street, causing damage to the front door and brick casing.

The truck causing the accident continued on Route 9-W without stopping, police said. The impact of the crash knocked Mrs. Lawatsch to the floorboards of the car, from where she was removed by spectators.

Damage to the Lawatsch car consisted of the front end being stove in and the left rear fender torn off. The Rock truck received damage to the front and rear ends and its transmission was slightly damaged.

The building which was struck by the truck was owned by Roy S. Carpino, 7 Wurts street.

Police said traffic along Wurts street was heavy at the time of the accident.

The license number of the hit-and-run vehicle was not obtained.

Foreign Minister Tells
Russians Imperialists
'Evidently Need' This
Faith in A-Bomb

Says Power Grows

Russian Power Is Only
Beginning, Capitalism
Is 'Oppressive'

London, Nov. 6 (AP)—Soviet Foreign Minister V. M. Molotov declared today the United States was establishing new naval and air bases close to Russia "as a preparation for aggression."

London, Nov. 6 (AP)—Foreign Minister V. M. Molotov of Russia asserted today that the secret of the atom bomb "has long ceased to exist."

Molotov, speaking on the eve of the 30th anniversary of the Russian revolution, told the Russian people in a speech broadcast from Moscow:

"It is interesting that in the expansionist circles of the United States a new, peculiar sort of illusion has been formed about their internal strength—a belief in the secret of the atom bomb, although this secret has long ceased to exist."

A Moscow radio commentator said cheers greeted this remark. "Evidently the imperialists need this faith in the atom bomb, which as is known, is not a means of defense but a weapon of aggression," Molotov said. "Many are ignorant that the U.S.A. and Great Britain hamper the United Nations from adopting a final decision on the prohibition of atomic weapons."

Molotov declared that during the year British scientists twice had protested against the action of the United States in keeping the atom bomb secret.

"Twice," he said, "they have published statements to this effect, expressing dissatisfaction that Britain can only say 'yes' to the United States in this business."

First Major Statement

Molotov's was the first major statement marking tomorrow's celebration of the revolution anniversary, but whether it would be the only one by a top government leader was not clear immediately.

The fact, announced last night—that Marshal Nikolai Bulganin will review tomorrow's parade of workers and soldiers in Red Square apparently indicated that Prime Minister Stalin would not return from his Black Sea vacation villa for the occasion.

Stalin was absent from the last two anniversary celebrations. Molotov made the principal address in 1945 and Andrei A. Zhdanov, member of the Politburo, was last year's speaker.

The foreign minister declared Russia now "is just beginning" to reach her power and was opening a new phase of her history since the revolution.

The foreign minister declared that "not only in the countries friendly to us, but elsewhere, there are millions of people devoted to the Soviet Union."

Everywhere where capitalism rules, he added, "it oppresses the working people, enslaves the colonies and the dependent states. Peoples in whom knowledge has brought awakening see in the successes of the Soviet Union the approach of their own liberties from the yoke of enslavement."

Molotov asserted the Soviet Union was intent upon following a path toward "durable and lasting peace."

All true friends of peace—and they constitute the majority in any country—can rest assured that the Soviet Union will defend the interest of peace to the last," he said.

He recalled Prime Minister Stalin's interview last May with Harold E. Stassen, candidate for the Republican presidential nomination of the United States. At that time, he reminded his audience, Stalin declared that the difference between economic systems was not an obstacle to peace.

"Why Not in Peace?"

"If collaboration was possible in wartime, why not in peace time?" Molotov added.

Capitalism, Molotov declared, is "on its last legs." "We live in a period when all roads lead to Communism," the foreign minister asserted.

He applauded the recent formation of the nine-nation Communist Information Bureau with headquarters at Belgrade as a necessity for increasing "Communist influence among the masses."

Russia "wishes it success," he said.

Nation's Markets Are Being Glutted With Poultry

Washington, Nov. 6 (AP)—The Agriculture Department reported today—on the fifth poultryless Thursday of the food conservation program—that the nation's markets are being glutted with poultry.

Prices are going down, it added.

and city dealers are urging country shippers to hold their chickens back for lack of a market. Gold storage stocks of frozen poultry, which on October 1 were at record levels for that date, continued to increase last month to such an extent that the industry was said to be running out of space to store dressed poultry. The department added in its monthly report on the poultry market that the low volume of consumer buying "mystified" the trade because poultry was being offered at prices relatively low as compared with other meats.

Gurgle Betrays Worms
Specimens of the giant earthworms of Gippsland, Australia, some of which measure 11 feet long, recently have been flown to Melbourne for scientific study. Officially known as megascopides australis, these are the largest earthworms in the world. Their eggs are three inches long. To catch them, worm hunters stood over their burrows listening for the gurgling noise these giants make.

His Trousers Blew Up
A young Dutchman of Vlaardingen, wearing a new pair of trousers made from filtering cloth taken from the chemical plant where he works, stopped on his way home to light a cigar. A spark from the match touched off an explosion which injured him seriously and blew out several doors and windows. The cloth was impregnated with explosive chemicals, making it as dangerous as gun-cotton.

Three Aides Arrested In Czech Territory

Warsaw, Nov. 6 (AP)—The Polish government, in a statement charging that an unspecified embassy in Warsaw had "actively aided" the escape of Opposition Leader Stanislaw Mikolajczyk, announced last night the arrest in Czechoslovakia of three of eight members of Mikolajczyk's party who fled at the same time.

A foreign ministry spokesman told a news conference that Wincenty Bryja, treasurer of the Polish

Peasant Party; Mrs. Maria Hulewicz, Mikolajczyk's private secretary, and Mieczyslaw Dabrowski, described by the government as a "collaborator" of Mikolajczyk, were arrested after crossing the Czechoslovak frontier and now were in custody of Polish security police.

A government communique said an investigation of Mikolajczyk's flight showed "that the escape was planned together with diplomatic officials of one of the embassies in Warsaw and was realized with their action and direct aid." It did not identify the embassy allegedly involved, but said the probe was continuing.

Griffin and Pinkus Win Art Honors For Guard Posters

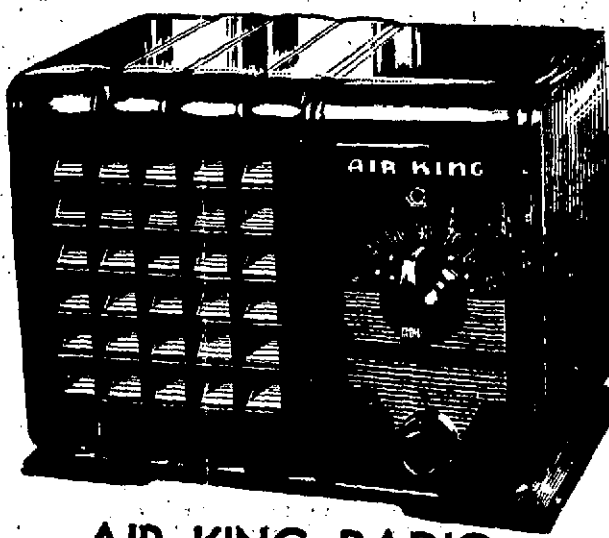

The poster contest sponsored by the 156th Field Artillery in connection with its recruiting drive was won by Robert Griffin of 200 West Chestnut street, it has been announced by Capt. Hervey Keator, public relations officer for the local National Guard.

Young Mr. Griffin's work of art urging Americans to "Join the National Guard" was awarded first place by a group of artillery officers and he will receive the \$5 prize offered by Lt. Col. Frank W. Harkins, commanding officer of the 156th.

Honorable mention went to Michael Pinkus of 102 Cedar street, and he, with Robert Griffin, both of whom are Kingston High School students, will occupy places of honor on the rostrum for the Activation Night program at the State Armory on Thursday November 13.

Cars Are Damaged In Local Accident

A sedan owned and operated by Gerald Long of 43 DeWitt street and Box 444, Lincoln Park, Kingston, received damage when struck at the intersection of Broadway and Franklin street about 7:25 p. m. yesterday by a sedan driven by Paul H. Krusher, 361 Albany street, according to the Kingston Police Department. Long was driving south on Broadway and Krusher was turning left from Franklin street into Broadway when the cars collided, the police report states. Long's bumper, front axle, left front fender, and steering column were damaged, and the Krusher car received damage to its left rear fender and bumper. No personal injuries were reported.

'Deliberate Attempt' Cited
New York, Nov. 6 (AP)—The international executive board of the American Newspaper Guild (C.I.O.) said today that the action of Newsday, tabloid daily at Hempstead, N. Y., in ceasing negotiations to renew its contract with the union's New York local was "a deliberate attempt to break the Guild unit." The board voted "to

support the New York local and the Newsday unit in any step necessary for the defense of long-established bargaining rights" and said that management had rejected a proposal to accept an election on a representation issue, conducted by an impartial third party.

There were about 700,000 grass, brush and rubbish fires in the United States in 1946.

E. R. Allyn Gets Promotion in Line Of Scouting Work

Was Progressive Leader in Ulster-Greene Council for Past Two Years

Earl R. Allyn, who for the past four years has been assistant scout executive of the Ulster-Greene Council, has submitted his resignation to become effective on Saturday in order to accept a promotion which will take him to the Greater New York Councils, which include the Boy Scout councils of all of the five boroughs of greater New York.

Mr. Allyn will be with the finance department in the central office which is located in the Wurlitzer Building at 120 West 42nd street, as a field executive. Since coming to Kingston four years ago Mr. Allyn has made many friends who will miss him in local scout work but will be glad to find that he has been offered promotion.

While associated with the Ulster-Greene Council work he has done public relations work, opened and directed the new scout camp, done leadership training, advancement work and taken a very active part in all scouting activities.

During the past four years the number of scout units in the council has increased from 54 to 98 and the annual budget for the Ulster-Greene Council area has been increased from \$13,000 to \$23,000.

When Mr. Allyn came to the Ulster-Greene Council as an assistant scout executive, he was engaged in scout work in Dansville.

American Demands

one nation can veto peace on earth."

Has Vandenberg Support
The idea also has the support of Vandenberg, who not only is chairman of the Senate Foreign Relations Committee, but perhaps Marshall's leading adviser on peace-making issues. Vandenberg declared in a speech at Ann Arbor, Mich., Monday, that "the peace conference should be called by those who do agree."

He said it would be "infinitely preferable" for the foreign ministers of America, Russia, Britain and France to reach agreement but that "disagreement—here or elsewhere—can not be allowed to postpone peace."

Marshall told a news conference yesterday that he has no idea what the Russian attitude will be at London and that he has no information on Soviet Foreign Minister Molotov's plans for attending.

Of his own attitude, Marshall said he intends to do his best to see whether the foreign ministers can find a basis for a German settlement, adding that he never allows himself to be pessimistic as to the outcome of any operation in which he is engaged.

He also disclosed plans to leave for London November 20 aboard President Truman's special plane, The Independence. The foreign ministers' meeting opens November 25.

Marshall's attitude of non-pessimism toward the London negotiations is not shared by many of the officials associated with him. Most appear to be convinced that there is very little chance of any real agreements, although some say an Austrian settlement may be reached there.

So far, there has been no official information from the State Department that it might try to force a peace conference call with or without Russian agreement.

But the effect of the rising tide of American demands for such an action will be to confront the Russians at London with an implied choice of two simple alternatives: either to agree to steps likely to speed German peace settlement or be more or less compelled to stand aside while the western powers proceed to try to make peace without them.

Shirley Chapin Looks For Her Own Apartment

New York, Nov. 6 (AP)—Blonde Shirley Chapin, said by her bachelor brother to be a bit over-zealous in protecting him from women, was apartment hunting today in accordance with an agreement to let him lead his own life.

A disorderly conduct charge brought against her by Dr. Joseph S. Chapin, her dentist, was dismissed yesterday in magistrate's court when both announced they had reached an amicable settlement.

"Dr. Chapin," 40, had told police that Shirley ordered him to cross the street when a pretty girl approached, wouldn't let him listen to soap operas with love interest on the radio, and ordered from his office women she thought were inappropriately dressed.

"My sister will no longer appear at my apartment or in my office, but will remain away from me," the dentist told reporters.

He said that unmarried Shirley, 32, who had lived with him and been his receptionist, would find an apartment, and that he would pay her living expenses.

Police said Chapin lodged the charge after his sister had called a woman patient's husband and questioned the woman's motives in visiting the dentist.

Big Four Deputies

to adopt the role of moderator between Russia and the United States in any disputes which develop, and as being more hopeful than confident that accord could be reached.

France appeared ready to play its traditional role in any question involving Germany. One official French informant said his country would oppose any strong central government for Germany such as Russia demanded last spring in Moscow, and would hold out for internationalization of the Ruhr.

The customary question mark hung over the attitude of the Russians. There was speculation that they might relinquish their demands for reparations—\$10,000,000,000 was the figure they mentioned at Moscow—to be paid from current production and might suggest general withdrawal of occupation forces.

In any event, the deputies will concern themselves primarily with drawing up an agenda for the latter meeting of their chiefs and with charting the agreements and disagreements which must be faced.

The last big four session on the German and Austrian treaties ended last April in Moscow with all the vital issues deadlocked. Secretary of State George C. Marshall said in his report to the American people after returning to Washington that the only program in Moscow was that the differences were that must be settled.

Robert Murphy, U. S. political adviser in the American zone of Germany, is the U. S. deputy here. Patrick Dean, British administrator in Germany, represents Britain until Sir William Strang, the foreign office expert arrives from Washington; Andre Smirnov represents Russia and Jacques Tardie de Saint-Hardouin represents France.

TB Press Program Will Be Discussed

Details of the Scholastic Press project sponsored by the Ulster County Tuberculosis and Health Association will be discussed at a meeting of faculty advisers and editors of school papers in the county at the high school at 10:30 a. m. Saturday, it was announced today.

Material for the press project may be on either "The Role of the Tuberculosis Association in a Community Health Program" or "How My School Can Help Prevent Tuberculosis."

The project is open to the student publication of any elementary, junior or senior high school, public or private. Membership in the Columbia Scholastic Press Association is not a requirement.

Entries will be judged first on a local, then on a state basis. Nine outstanding entries from each state can be forwarded to the National Tuberculosis Association for final judging by a committee of three nationally known journalists.

The deadline for submitting publications to the local tuberculosis association is Friday, Jan. 9, 1948.

The purpose of the conference Saturday is to discuss the rules of the press project and to distribute instructions and kits for the program.

Gamble Says Bond Issue May Point Way to U. S. Cities

Chicago, Nov. 6 (AP)—Rep. Ralph A. Gamble (R-N.Y.) chairman of the 14-man joint Congressional Committee on Housing, says that Chicago's \$30,000,000 bond issue, passed Tuesday, to clear slums and aid rebuilding, "may well point the way for a lot of other cities in solving their housing problems."

Gamble, Sen. Joseph R. McCarthy (R-Wis.) and Rep. Rolla C. McMillen (R-Ill.) open a "conference" hearing on housing problems here today.

The joint committee has been touring the nation in small subcommittees taking testimony since October 20. Gamble yesterday described shortages in construction materials over the country as "spotty." He said gypsum and nails were especially short generally and added that the nail industry would try to boost its keg production in 1948.

"There is a legal 'grey market' in the gypsum industry," Gamble asserted. However, he said that five new gypsum plants in the Chicago area would increase the flow of the material to the building trade.

Flying Auto Lands, Goes Down Road

New York, Nov. 6 (AP)—Bearing a Connecticut license plate, a small flying "automobile" landed at La Guardia Field yesterday. Three and a half minutes later, with wings and propeller removed, it was buzzing along the highway into New York.

Called an "airphibian" and resembling a cross between a station wagon and a model airplane, it was flown here from Danbury, Conn.

The name of its driver-pilot-inventor, Robert Edison Fulton, Jr.

Body of Man Is Found Under Washington Bridge

For Lee, N. J., Nov. 6 (AP)—The body of a man identified as that of Frank Oscar Olson, 32, missing since Oct. 19 from Pilgrim State Hospital, Brentwood, N. Y., was discovered last night lying under the George Washington Bridge near the Hudson river water line by Palisades Interstate Park police.

The park police said identification was made by Dr. John Foster of the hospital who listed the address of Olson's parents as 426 East 163rd street, New York city.

The man apparently fell or

jumped from the north rail of the bridge Park police said.

Dewey Gives

Continued from Page One
that later there may be a return in part in the form of strategic materials exports.

2. Reconstruction aid should be on a straight loan basis for business purposes, administered by American business men.

3. Foreign aid should be supervised by a special authority, a genuinely bi-partisan board.

4. Nations aided may properly be required to specify in detail the measures they will undertake to achieve the major objectives of self-help and mutual help under the Marshall plan, and aid should be given in installments and continued only on the condition of adherence to their own programs.

5. Congress should adopt a clear and settled definition of policy which might take the form of declaring "it to be a basic policy of the American nation to assist freedom-loving peoples elsewhere in the world who are ready to work with us to find a way back to economic stability."

6. The story of American achievement should be told to the world but not as "in the past, by shipping around the world modernistic paintings done by Communists at the expense of the American government."

America, he said, is in a "cold war" because it is being attacked by Soviet Russia "by all means short of war." Russia's objectives, Dewey added, are to intimidate free governments everywhere into accepting Soviet leadership and to mislead or intimidate Americans into refraining from giving aid to those who need it.

The Republican leader expressed the opinion that the only risk of war stemmed from Soviet policy and not from the United States foreign aid program.

America has no other choice than to aid Europe, Dewey said, continuing:

"It is unthinkable that after a successful war at staggering cost in blood and resources, we should stop and surrender the fruits of victory. We will be doing just that if we permit the free nations to fall into economic chaos and then under Soviet control."

He accused the Truman administration of "blundering" in administering some \$20,000,000,000 in foreign aid since the end of the war.

"It may well eventuate that the election of a Republican Congress last year not only saved the domestic affairs of the United States but it may well also save the peace of the world."

Taking credit for inaugurating the United States bi-partisan foreign policy program, Dewey praised it as having been notably successful "where it has been followed." He paid tribute to the "unselfish labors and high patriotism" of two Republican leaders, Senator Arthur Vandenberg of Michigan and John Foster Dulles, in putting the policy into operation.

He indicated that he did not favor discriminating between free enterprise and Socialistic nations in determining the extent of American aid, adding that "so long as human liberty is maintained as a principal objective of a government, that government is our friend."

The some 1,000 dinner guests heard Dewey introduced as the "leading figure in the affairs of his party," as "the favorite son of many in every state," and the architect of "the most efficiently run state administration New Yorkers have yet known."

The 50 selected business men honored at the dinner were chosen by a vote of thousands of others after they had been nominated by various business, civic and trade organizations. Each received a citation.

They included Winthrop W. Aldrich, Benjamin F. Fairless, Harvey S. Firestone, Jr., Henry Ford 2nd, Walter S. Gifford, Samuel Goldwyn, Eric Johnston, Henry J. Kaiser, Henry R. Luce, Nelson A. Rockefeller, Thomas J. Watson, Charles E. Wilson (General Electric), Charles E. Wilson (General Motors) and Robert A. Young.

Surprise Pumpkin Pie Delights

Surprise pumpkin pie with cheese cutouts shaped like pumpkins on top for Thanksgiving dessert.

By GAYNOR MADDOX
N.E.A. Staff Writer

Here's one for the book of good living. It's a new variation of Thanksgiving pumpkin pie.

Surprise Pumpkin Pie
Crust: 1 cup sifted flour, 1/4 teaspoon baking powder, 1/2 teaspoon salt, 1/3 cup shortening, 2 to 3 tablespoons ice water.

Filling: 1 1/2 cups canned pumpkin, 1 cup evaporated milk, 3/4 cup brown sugar, 1/2 teaspoon salt, 1/2 teaspoon ginger, 1/2 teaspoon cinnamon, 1/2 teaspoon nutmeg, 2 tablespoons butter, 2 eggs, 1 cup mince meat.

Garnish: 6 slices American cheese.
Crust: Shift together flour, baking powder and 1/4 teaspoon salt. Cut in shortening with fork or pastry blender until it is size of peas. Add ice water a little at a time, mixing only enough to hold ingredients together.

Place dough on lightly floured board and roll to about 1/4 inch thickness. Line a ten-inch heat-resistant glass (rinkie edge) pie plate. Allow pastry to extend about 1/2 inch beyond top edge of pie plate. Tuck pastry under so that it just comes to top of pie plate and press pastry into flutes on pie plate.

OLIVE BRIDGE

Seven-Room Flat Found for McDonalds

New York, Nov. 6 (AP)—A seven-room flat has been found for the McDonald clan, three members of which had defied attempts to oust them from their Brooklyn home this week after the flimsy building had been condemned by the city as unsafe.

The New York City Housing Authority said yesterday it had located an apartment large enough to house all 11 members of the family of Andrew McDonald, 43-year-old longshoreman, and that it would be made ready for occupancy if McDonald is satisfied with it.

Mrs. McDonald, 42, and two of her nine children, had refused since Monday to leave their \$28-a-month home, remaining in the condemned house despite the presence of a policeman and a building department inspector who had barred the return of the husband and the seven other children. McDonald was readmitted yesterday.

City officials previously had offered to find the McDonalds a place to live if they would split up but Mrs. McDonald rejected the suggestion.

"The holidays are coming," she said, "and I want my family together."

Unionists Visit Moscow
Moscow, Nov. 6 (AP)—The Tass News Agency said today that a group of German trade unionists—the first such German delegation to visit Russia since before the war—had arrived in Moscow as guests of the Central Council of Trade Unions. The visiting delegation is headed by Hans Enderske, chief of the German trade unions in the Soviet Zone, Tass said.

Filling: Combine pumpkin, evaporated milk, brown sugar, salt, ginger, cinnamon, nutmeg and butter in a saucepan. Cook over low direct heat until the butter is melted.

Beat together one whole egg and the yolk of the second egg. Remove pumpkin mixture from heat and stir in beaten egg. Beat the remaining white until it is stiff and fold into pumpkin mixture. Spread mince meat in pastry lined pie plate. Pour pumpkin filling on top of mince meat. Bake in hot oven (425 degrees F.) and continue baking for 10 minutes. Lower temperature to 325 degrees F. and continue baking for 30 minutes. Garnish with cheese cut in the shape of pumpkins.

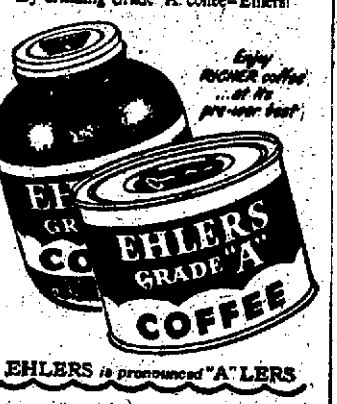

TOMORROW'S MENU
BREAKFAST: Stewed prunes, ready-to-eat cereal, raisin toast, butter or fortified margarine, coffee, milk.
LUNCHEON: Pea and tomato soup, chopped leftover lettuce and margarine sandwiches, fresh pear stuffed with cottage cheese, tea, milk.

DINNER: Tomato juice, poached fillet of sole, savory sauce, hashed brown potatoes, canned peas, enriched bread, butter or fortified margarine, chicory salad, Surprise Pumpkin Pie with cheese, coffee, milk.

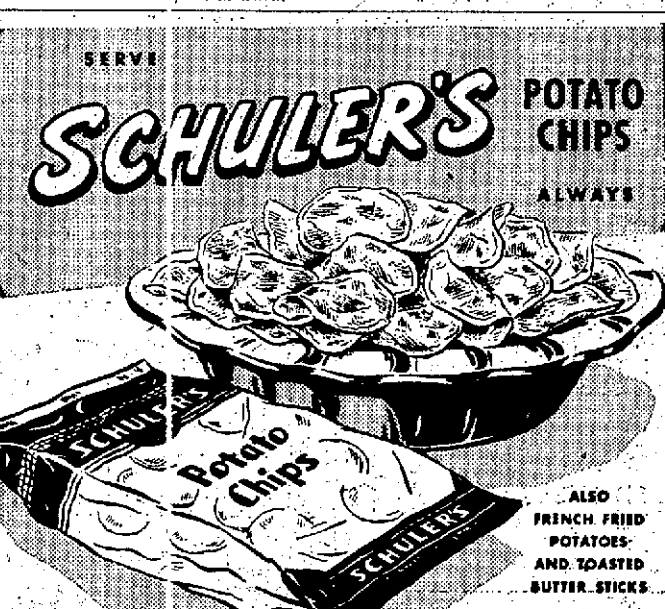

Mabel Van Buren Dies
Los Angeles, Nov. 6 (AP)—Mabel Van Buren, the "Girl of the Golden West" in Cecil B. De Mille's picture of that name three decades ago, is dead. She was 89 when she succumbed Tuesday after a brief illness. She was a stage actress before De Mille starred her after development of feature length films in 1914. Her pictures included "The Warrens of Virginia," "The Man From Home," "Bluebeard's Seven Wives," and "The Crusades." She continued in pictures until the death in 1933 of her husband, James Gordon, Shakespearean actor. She is survived by a daughter, Mrs. Catherine Wyman (Actress Kay Van Buren) and a granddaughter.

Booked by Ahavath Israel

VINCENT LOPEZ

Music at the Ahavath Israel Ball in the Kingston Municipal Auditorium on Thanksgiving eve, November 26, will be furnished by Vincent Lopez and his band, according to Herman G. Rafalowsky, general chairman of the event. "We have a signed contract with the famous rhumba king," Chairman Rafalowsky told the press, and intimated that the price would be around \$2,000. Lopez will come direct from a long engagement at the Hotel Taft, New York, where Mr. Rafalowsky and his agent, Harry Moss, lunched with him. "We're getting the regular Lopez band featured on the radio," Mr. Rafalowsky assured. "I have the roster and with it the assurance of leader Lopez that every one of his top-flight musicians will be on hand for Ahavath Israel ball, November 26.

Vaudeville Bill Is Announced for Ball November 11

The complete program for the American Legion Armistice Night Ball at the Kingston Municipal Auditorium has been announced for next Tuesday, Nov. 11, and appears to be a well balanced arrangement of vaudeville.

Dancers, singers, comedians and novelty performers are featured on the bill which is as follows:

superlative dance fashions.
Meribeth Olde, youthful acro
dynamo.
Julia Cummings, "Little Miss
Everybody," direct from New
York's State Theatre, presenting
"Broadway's Satirical Carica-
tures."
The Martyns, "modern enter-
taining with a new twist."
Jack Sayles, "the careless
comedian," who will act as master
of ceremonies.
Johnnie Burke, "left over from
World War 1," returning by special
request with his comedy mon-
ologue.
Ladd Lyon & Company with "an
unusual surprise," and "some what
different comedy," as presented
for eight weeks at the Capitol
Theatre in New York.
Harry Shea, New York theatri-

cal agent, says of the show, "Have
been endeavoring to make this bill
the best ever presented in King-
ston, and feel confident the Legion
and ball patrons will be pleased."

Bed-making Tip
When making beds, says Iowa
State College, you need 18 inches
clear space around three sides for
convenience. The present trend
toward smaller bedrooms, built-in
double bunks for children and
lower beds may mean less expense
as well as saved space, but the
extra time and effort of the home-
maker should be considered, these
experts say.

Child Comes on Platter
Native witch doctors in Pondo-land, South Africa, now carry a

stock of phonograph records in their "black bags" when attending maternity cases. Cape Town reports. For a fee of 40 cents they

will present the newly-born child to the mother upon one of the records, claiming that both were produced at birth. Native moth-

ers are so proud of their feats that witch doctors are said to be planning the birth of twin phono-graph records.

Nurses' Polio Study Plans Near Ready

The course in polio treatment for all nurses in Ulster county, sponsored by the Ulster County Chapter of the National Foundation for Infantile Paralysis, Inc., is in its final stages of completion.

Dr. George James and Mrs. Ruth Wilkenson, R.N., of the Ulster County Health Department, have announced that the completed outline of this course, and the subjects to be covered, will be released within the next few days.

The course will be under the direction of Miss Kathleen Newton, orthopedic nursing consultant of the National League of Nursing Education, and Miss Enid Bailey, orthopedic nursing consultant of the National Organization for Public Health Nursing. Both Miss Newton and Miss Bailey are being sent by the Joint Orthopedic Nursing Advisory Service of New York City.

Miss Edith Unruh, nursing field representative for eastern New York state of the American Red Cross, has been secured by the Ulster County Chapter for Infantile Paralysis, to be present at this course.

Nurses throughout the county have been sent registration cards for this course and are urged to return them as soon as possible, in order that advanced material may be forwarded to them prior to their taking this course.

Any nurse desiring to take this course and has not received a registration card, should contact Joseph E. McTaggart, executive secretary, 56 Trenton street, Kingston.

Political Significance Disputed

Albany, N. Y., Nov. 6 (AP)—Rival victory claims left in dispute today the political significance of New York state's election Tuesday.

Governor Dewey, national titular leader of the Republican party and potential 1948 presidential candidate, said he was "delighted with the generous way" in which the people approved the \$400,000, 000 veterans bonus, the five other constitutional amendments and the three public housing propositions.

State G.O.P. Chairman Glen R. Bedenkapp saw a Republican victory in "the overall results" of the off-year election, in which no statewide offices were at stake.

Neither Dewey nor Bedenkapp mentioned Democratic gains in Erie county and Syracuse offices, which Democratic leaders said represented revolt against Dewey's controversial permissive local tax program. Erie and Syracuse, only localities to utilize the program since its enactment by the 1947 legislature, have chosen sales taxes.

State Democratic Chairman Paul E. Fitzpatrick declared that "the Republicans made Erie county a testing ground of Dewey's policies and the people emphatically rejected them."

Fitzpatrick was supported by Arthur Schutler, state executive secretary of the American Labor Party, who said upstate returns were "a sharp rebuke to Governor Dewey's attempt to shift the tax burden to hard-pressed localities."

Schutler emphasized that city-state fiscal relations would be a key issue in the 1948 legislative session.

Fitzpatrick also said the election "definitely indicates a majority for President Truman in New York state in 1948."

Traditionally Republican Schenectady and Niagara Falls elected Democratic mayors but the overall count in the state's 48 mayoral elections showed a net gain of one for the G.O.P.

Bedenkapp congratulated the voters on "the sweeping endorsement they have given to the administration of Governor Thomas E. Dewey in approving every one of the six amendments and the three propositions on the statewide ballot."

All nine proposals, except creation of a judicial district on Long Island, had the support of the Democrats, as well.

The voters approved the bonus for the state's 1,600,000 veterans of World War 2 by nearly three to one.

The vote on the amendments, as shown by late returns:

No. 1 (soldiers' bonus): 8,807 of the state's 9,281 districts. Yes, 2,147,809; No, 785,811.

No. 2 (absentee voting): 8,654 districts. Yes, 1,774,322; No, 545,833.

No. 3 (legislators' salaries): 8,654 districts. Yes, 1,404,507; No, 875,068.

No. 4 (judge removal): 8,633 districts. Yes, 1,522,301; No, 713,638.

No. 5 (new judicial district): 8,660 districts. Yes, 1,142,996; No, 971,066.

No. 6 (ski trails): 3,660 districts. Yes, 1,379,343; No, 776,096.

The vote on the propositions:

No. 1 (low-cost housing bonds): 8,628 districts. Yes, 1,476,344; No, 592,599.

No. 2 (increase aggregate annual housing subsidies): 8,627 districts. Yes, 1,397,456; No, 583,882.

No. 3 (increase new annual housing subsidies): 8,627 districts. Yes, 1,390,517; No, 582,237.

SHOKAN

Shokan, Nov. 5.—Mr. and Mrs. John Jones, mountain road farm couple, plan to leave Shokan this week for Shreveport, La., where they will spend the winter months.

Mr. and Mrs. Jones went to Louisiana two years ago, but remained here last winter. They have hired Reginald Howland and his mother, Mrs. Howland, to look after their place and livestock. Mr. Howland came here from The Vly, where he has been employed on a farm.

Frank Jackson, local war veteran, has returned to his home in the village center after having been employed all summer as gate guard at Lake Minnewaska.

Miss Nancy North sang the offertory solo at the Sunday morning preaching services in the Shokan Reformed Church.

Charles Peroneous has bought a house in Kingston and is residing there with his family.

Louis Thiel of Route 28 has

perhaps the most varied and interesting assortment of old guns in this section. Most of the guns are old timers such as muzzle-loading shotguns and rifles and one of the first breech-loaders, though Mr. Thiel last summer invested in one of those ugly-looking guerrilla guns which were used in the Pacific area. Included in the collection is a long muzzle-loader with a steel ramrod which belonged to a great-grandfather of the owner, Johannes Whispell of Hutchins Hill. Mr. Whispell, a veteran of five wars, at the age of 107 years walked the 10 miles or so to Mr. Thiel's boyhood home in the old village of Olive for a visit, and while there he fell down stairs and suffered injuries from which he died. Mrs. Whispell, aged 98, was summoned to the Thiel home and followed her husband in death a few weeks later.

Strange but True: Back in 1904, three years before Ashokan Reservoir activities occupied the conversation of folks in this area, Mrs. Smith Flowers of the old village of Olive Branch was being acclaimed champion fox hunter of

what is now the east basin sector. It happened this way: The door of the Flowers house was open and a big fox ran in to escape from pursuing dogs; Mrs. Flowers closed the door and killed Reynard with a club (just as simple as all that).

Callers here Tuesday included Oscar C. Velle of Woodcliff Park Poughkeepsie, and son, Charles O. Velle. Mr. Velle rented a hunting camp here 16 years ago and is desirous of coming to Shokan during the coming deer season.

Nov. 7, 1876, at the annual election, the Democratic majorities in Olive were: district No. 1, 126; district No. 2, 58. News of the results of the national poll had not yet been received here on November 9.

Paul James has sold his 10-acre lot on the south side of Route 28-A to Joseph Stelen of New Jersey. The lot which adjoins the William Beesmer place, the former Michael Hughes farm, on the east, is part of a grant received by the Brodhead family of Marletown from Queen Anne of England in 1713. Edward France, well known Pine Hill resident, was a caller

here Monday. Mr. France was working in the interests of the No. 6 Constitutional Amendment or ski trail proposition.

Queen Mary Will Sail

Southampton, Eng., Nov. 6 (AP)—A seamen's strike finally settled, the giant liner Queen Mary prepared to sail on the late afternoon high tide today for New York, more than 24 hours behind schedule. About 300 members of the 1,200 man crew decided at a dockside meeting this morning to return to the ship. Various groups of from 50 to 200 crewmembers had been off and on the ship since yesterday morning, trying to make up their minds whether to make the voyage.

Borneo Missionary Will Speak Here

The Rev. George Fisk, a returned missionary from the badlands of Borneo, will be the first speaker of the union preaching mission which will open Sunday evening at the First Baptist Church, Albany avenue at Broadway, at 7:45 o'clock, it was announced today.

Sunday's service, the first in a series to be sponsored by the Hudson Valley Evangelical Fellowship, will be continued through November 23, Thanksgiving Sunday and will feature nightly talks by the Rev. Dr. Henry Mangum, D.D., executive vice-president of Webster-Trinity University and minister of the First Baptist Church of Hastings, Fla. The Rev. Mr. Mangum will begin his talks on Monday evening.

Special music will be furnished at Sunday's service by the "King's Herald Quartet" from the Missionary Training Institution at Nyack in addition to Miss Lois Kear, trombonist; William Ruocco, violinist; and James Riccetti, pianist.

The Rev. Mr. Fisk, forced to return home because of repeated attempts on his life, will be making his first appearance since his return from Borneo and is expected to talk of some of his recent experiences.

As a missionary deep in the jungles of Borneo, the Rev. Mr. Fisk recently went through a harrowing experience on his last trip to the field. His ship was wrecked, an arrow from a native bow caught him in the neck and he was poisoned several times.

Accomplishes Mission Despite these attempts, however, the missionary recently saw his tremendous mission accomplished when the Dyaks, headhunters of Borneo, threw bundles of dried-up heads into the river following their decision to free themselves of superstition.

Preceding the evening service a Youth Fellowship meeting will be held at the church at 6 p. m. followed at 8:30 p. m. with a talk by Mrs. George Fisk to the young people.

The public is cordially invited to attend the services.

Man Is Injured When Caught by Subway Cars

New York, Nov. 6 (AP)—Thomas O'Sullivan, 50, of 23-20 30th Drive, Astoria, suffered fractures of both legs at 2:50 a. m. today when he was caught between the last car of a northbound B.M.T. subway train and the platform of the Canal-Lafayette street station, police reported.

Police used a jack to wedge the car away from the platform, freeing O'Sullivan, who smoked a cigarette and directed the rescuers as the work progressed.

Police said they did not learn how O'Sullivan became wedged between the car and platform. He was removed to Columbus Hospital, where his condition was described as painful but not serious.

Quick Comeback Noted

One of the most remarkable of the Philippines postwar recoveries is that of the fishing industry, Manila reports. The country's prewar supply came from commercial in-shore fishing (which was almost entirely a Japanese monopoly) and pond fish culture in both fresh

and salt water ponds. During the war this Filipino fishing fleet was almost entirely wiped out and great damage was done to the ponds. Already, since the war, \$5,000,000 has been invested in fishing vessels, which now exceed the prewar fleet and are entirely Filipino-owned.

At Williams Lake

(Hal Runkel Photo)

MR. AND MRS. GEORGE G. DUFFY

Miss Jayne A. Mayer, Rosendale, and George G. Duffy, LeFevre Falls, were married in Rosendale Saturday. They are shown at their wedding reception at the Williams Lake Hotel.

**Duffy-Mayer
Marriage Performed
In Rosendale Church**

The marriage of Miss Jayne Agnes Mayer, daughter of Mr. and Mrs. William F. Mayer, Rosendale, to George Gaven Duffy, son of Mr. and Mrs. John Duffy of LeFevre Falls, was performed Saturday at 3 p. m. in St. Peter's Church, Rosendale. The Rev. John Kelly officiated.

Mrs. Frank Rafferty was organist. The church was decorated with yellow chrysanthemums.

Mr. Mayer escorted his daughter. She wore a grey suit with brown accessories. Miss Dorothy Weiners of St. Albans, L. I., maid of honor, wore a beige suit with green accessories.

John Duffy, Jr., Stone Ridge, was best man for his brother, Hal Runkel, who was usher.

A reception for 26 guests was held at the Williams Lake Hotel.

Afterward Mr. and Mrs. Duffy left for a wedding trip to Virginia. They will live in Rosendale.

Mrs. Duffy is a graduate of Andrew Jackson High School in St. Albans, L. I. Mr. Duffy is a graduate of New Paltz High School and served as lieutenant in the U. S. Marine Air Corps.

**Richard Waltman
Studies Aeronautics**

Chicago, Ill., Nov. 6—Richard Waltman is enrolled in the Aeronautical Engineering course for the fall term at the Aeronautical University of Chicago, is one of nine hundred students who have entered the university for the fall semester.

Waltman plans to enter aircraft manufacturing industry or the airlines as a design, research or performance engineer upon his graduation. His mother, Mrs. J. D. Waltman, lives at 69 Lucas avenue, Kingston.

**Four Women Join
Elks' Auxiliary**

The regular monthly meeting of Ladies Elks' Auxiliary was held Monday evening at Elks' Club House. Four new members were accepted for membership: Mrs. Joseph Messinger, Mrs. Abbie Cook, Mrs. Joseph Oppenheimer, and Mrs. Jacob Francis. Forty members were present.

Plans were completed for the card party tonight at 8 o'clock. Mrs. Ernest Boss is chairman. It was voted to continue having the annual Christmas party and each member will bring a 50 cent gift. At the close of the meeting refreshments were served. Hostesses were the Meses, Bernard Carpinelli, James Cave, Clarence Ryan and Ruth Cole.

Chopped Apples

Chopped apples can extend mince meat for deep dish mince pies or tarts. Add equal portions of apples and mince meat and sweeten with 3 tablespoons of sugar or honey.

**Keep Hands
LOVELY**

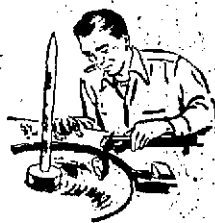

in spite of daily work

Do your daily tasks make your hands dry and rough? There is an easy way to keep them soft and smooth. Just rub in time-tested Frostilla Fragrant Lotion after they have been in water. Its special ingredients actually supplement the natural film of your skin. Hands stay lovely. At better cosmetic counters.

the bridegroom, of Glasco, as mat-
ron of honor wore peacock blue
faulle taffeta gown with headpiece
and bouquet of yellow pompons.
The bridesmaids were the Misses
Maureen K. Jones, Garnerville,
cousin of the bride, and Dorothy
Davis. They wore raisin rose faulle
taffeta gowns with headpieces and
bouquets of blue pompons.

Mr. Serra of Glasco, was best
man for his brother-in-law. Ushers
were John DeCicco and Ronald
McDermott, uncle of the bride.

A reception for 175 guests was
held at Mannerchor Hall. Mr. and
Mrs. Martino left for a wedding
trip to New York city. She wore a
cocoa brown suit with corsage of
yellow pompons. They will re-
side at 133 Pine Grove avenue.

Both Mr. and Mrs. Martino are
graduates of Kingston High
School. Mrs. Martino is employed
by the New York Telephone Com-
pany. Mr. Martino by Fuller Shirt

In Health Programs

"We shall be very happy to as-
sist Girl Scout leaders throughout
the county in administering the
training necessary for the girls
to earn their badges in child care,
first aid, home health, home nurs-
ing and public health," said Miss
Adele Didrickson, director of
nurses at the Ulster County
Health Department in conjunc-
tion with the Metropolitan Life
Insurance Nursing Service.

To give all leaders an oppor-
tunity to understand the types of
service the association will render
under Miss Didrickson's super-
vision, a training program will be
presented for leaders from all
parts of Ulster county at the
Ulster County Department of
Health, 61 Albany avenue, King-
ston, Monday evening, November
17, at 8 p. m.

By demonstration, film and lec-
ture, the leader will learn of com-
munity services extended through-
out the county by this organiza-
tion in relation to care of the
sick, infant care, control of com-
municable diseases and other
health and safety angles. Rural
nurses connected with the health
department will be available to
troops outside the city.

The Scout Council hopes that
each community where Girl Scout-
ing exists will have a representa-
tive at this meeting as well as all
local troops, and that the majority
of the leaders will avail them-
selves of this generous offer made
by the Ulster County Department
of Health.

Sewing Class Will

Start at Y.W.C.A.

A twelve week course in dress-
making will start Tuesday eve-
ning at the Y.W.C.A. under the di-
rection of Mrs. Adam Thiel. In-
dividual instruction will be given,
enabling each enrollee to choose
her own pattern. Mrs. Thiel will
also give general lessons on but-
tonholing, fitting and alterations.
Anyone interested in joining this
class is asked to phone the Y.W.
C.A., 1911, for details and rates,
and be prepared to come to the
first lesson with dress pattern of
correct size. The classes will be
held every Tuesday night at the
Y.W.C.A., beginning promptly at
7:30 o'clock.

Although the Wednesday eve-
ning Metalcraft class is already
filled, plans are being made to
form a new evening class as well
as an afternoon class. Those in-
terested should contact the Y.W.
C.A. immediately so that these
may be started early enough to
enable the students to make
Christmas gifts. These classes
will be under the direction of Mrs.
William McVey.

The Swim and Gym periods at
the Y.M.C.A. on Wednesday eve-
nings are proving popular with
all ages of girls and women in the
community. Joe Heidkamp is in
charge of the pool. C. T. Carle
will give free instruction to anyone
who wishes it. There is a flat fee
charged per year for the use of
either the pool or gym or both.
Those interested in coming for a

St. Peter's Troops

In commemoration of "Scouts
Own" St. Peter's Girl Scouts
Troops 23 and 24 and Brownie
Troop 26, received communion in
a body at the 9 o'clock Mass,
Sunday. Immediately following the
Mass the investiture ceremony of
the newly formed Brownie Troop
was held. The girls proceeded to
the school hall where they en-
joyed a communion breakfast
served by the committee mem-
bers.

The Rev. J. A. Geis, pastor of the
Church, was guest speaker. He
congratulated the girls on the
splendid showing they made and
admonished them to continue to
set a good example and live up to
the Scout Law to be loyal to God
and country. He told them to be
ever thankful to the leaders and
committee members who gave their
time and efforts for their benefit.
The Rev. Father Geis also con-
gratulated and thanked the
ladies for their tireless efforts in
this work.

Mission to Close At First Dutch Church Tonight

With the service tonight at 7:45 o'clock the Protestant Preaching Mission at the First Dutch Reformed Church will close. Splendid audiences from all of the Protestant Churches in the city have attended each of the mission services which started Sunday.

Tonight the Rev. Dr. Raymond I. Lindquist will preach on "The Sacramental Prelude to Living."

The Rev. William J. McVey, pastor of First Presbyterian Church; and the Rev. Merrill C. Johnson, St. James Methodist Church, will assist in the service.

The Adult Choir of the First Dutch Reformed Church will sing tonight under the direction of Mrs. Raymond H. Rignall, director of music at the church. Miss Caroline Little, assistant organist, will be at the console. Anthems will be Mendelssohn's chorale, "Cast Thy Burden on the Lord," and Mueller's "Laudamus Te."

Potatoes were used as money to pay night watchmen who guarded relief gardens at Cleveland, Ohio, in the summer of 1934.

Cooperation Is Most Important, Says Ives

Alfred, N. Y., Nov. 6 (AP)—U. S. Senator Irving M. Ives said today cooperation was "the most important" lesson which Americans must learn "if we are to be masters of our destiny in the years ahead."

"On cooperation depend not only the strength and prosperity of our democracy at home but its authority in the councils of the world," Ives asserted in a speech prepared for Founders' Day ceremonies at Alfred University.

"Had we possessed the technique of cooperation in the twenties," he continued, "we should have seen the awful economic catastrophe which faced us. . . . Had we understood it in the thirties, our recovery would not have been retarded by the frantic makeshift policies which blew out of Washington on every wind."

The New York legislator warned against "nasty laws," declaring that "we cannot produce good legislation when it is directed against any great segment of our economy."

"Just laws grow only from a just consideration of the rights of all our people," he said. "They are

written only when a spirit of cooperation exists around the drafting table."

Turning to international problems, Ives said that "the hope of the world's peace lies now in cooperation with other governments through the United Nations."

C. A. Moser Dies

Stamford, Conn., Nov. 6 (AP)—Charles A. Moser, 76, chairman of the board of trustees of the Southbury Training School and a retired managing director of the Standard Oil Company for Australia, died at Stamford Hospital today after a long illness. He was born in New York city. He leaves three sons, Paul, Coleman C. and Karl, all of Stamford. Funeral arrangements are incomplete.

Rent Increase Refusal

Washington, Nov. 6 (AP)—Housing Expediter Tighe E. Woods today rejected a recommendation of the Chicago Rent Advisory Board for a 15 per cent rent increase in the Chicago area. Woods said the advisory board failed to "appropriately substantiate its recommendation, as required by the Housing and Rent Act of 1947."

The "pepperbox" was the first revolver. It had a series of six to eight barrels that revolved in one piece, turned by hand.

Schools' Annual Need 176 Million More, Is Report

Albany, N. Y., Nov. 6 (AP)—The New York State Teachers' Association says the state's schools need an additional \$176,000,000 annually and the state should supply most of it.

Declaring the money was necessary to raise school standards to prewar levels, the association called yesterday for a \$103,000,000 increase in state aid to education. A spokesman said the balance probably would have to be raised locally.

The association cited "shrinkage" of the tax dollar, because of rising prices and a need for greater equalization (increased aid for poorer communities).

The association claims a membership of 4,000 upstate teachers. Its report on educational fiscal problems also recommended that the state exempt from the constitutional two-per-cent limit all real estate levies for school purposes.

The report reiterated preliminary recommendations of Sept. 18 that school boards be granted complete fiscal independence of municipal authorities and that the state assure "minimum support levels of at least \$200 per elementary pupil and \$260 per secondary pupil." These levels would be double present levels.

The association recommended community contributions of at least \$5 per \$1,000 on equalized real property valuation. The state would make up the difference for the support levels. At present, localities contribute \$2.65 for \$1,000.

The report was based on a three-month survey by a committee headed by Prof. Paul R. Mori of Columbia University.

Would Assist Farmers With Tax Deduction

Washington, Nov. 6 (AP)—Farmers would be allowed income tax deductions to cover the cost of fertilizing and other land improvements under legislation Senator Wherry (R-Neb.) plans to introduce in Congress next January.

Wherry's office disclosed that a bill for this purpose already has been drafted by Raymond R. Dickey, chief counsel of the Senate Small Business Committee, of which Wherry is chairman.

'Measure of Friendship'

Venice, Nov. 6 (AP)—Ambassador James C. Dunn, here for the arrival of the 100th ship bearing United States aid to Italy, "declared today that this 'impressive feat' was 'the measure of American friendship toward the Italian people.'" The first ship of the new program arrived at Genoa less than two months ago.

Ready for 600 MPH Combat

Fastest operational aircraft of the Air Force, the P-84 Thunderjet, above, is "fully qualified" for combat at speeds above 600 mph, following recent service tests at Farmingdale, L. I. The plane's guns fire about 50 per cent faster than fighter plane arms used in World War II, making possible aerial combat at jet speeds. A new order for \$15 million worth of P-84's brings to 550 the number of Thunderjets now scheduled for delivery.

Grass-fed Beef

Although grass-fed beef, which is reaching butcher shops now, is less tender and less marbled with fat, it offers more protein than beef of higher grade, reports the Department of Agriculture.

Impress Your Family With Speaking Poise

"It isn't WHAT he says but THE WAY he says it!" You've frequently heard a person described that way.

How true! Often you remember a person for his vibrant voice, spontaneous humor, wit, can you remember what he said?

The trick is to put so much into your manner of speaking that nobody will realize that your words are not golden gems. This is a good thing to keep in mind for the family reunions that come up during the holidays.

"What's new?" "Tell me about your new job?" "How is the baby?"

Questions like these intermingle with the Thanksgiving cheer; the Yuletide greetings, the New Year's wishes.

You will want to take active part in these festivities. So, think of some of the cute things baby has said—only cute to outsiders not just parents.

Read the newspapers so you will have something to add to a pertinent discussion.

There's so much to talk about—food, fashions, the movies. You need never sit shyly silent if you have something to say, the confidence to say it and the poise that comes with having been.

Our Reader Service booklet No. 83 offers suggestions for improving your speaking mannerisms to avoid parliamentary law.

Send 25c (cash) for "Self-Instruction in Public Speaking" to The Kingston Daily Freeman, Reader Service, 24 W. 17th Street, New York 11, N. Y. Print name, address with zone, booklet title and No. 83.

Former Caddy Beats 'Client' at Polls

Glen Cove, N. Y., Nov. 6 (AP)—Luke A. Mercadante, Democratic mayor-elect, used to caddy for the man he defeated in Tuesday's city election—Republican Mayor Arthur Altshuler.

The 32-year-old war veteran said yesterday he carried some of his first money luggering Altshuler's golf clubs. And he added: "I carried Mayor Altshuler's clubs 20 years ago, but the way I carried him yesterday was the best of all."

Council Will Meet

The regular monthly meeting of the Common Council will be held tonight at 7:30 o'clock at the city hall.

Hog Prices Drop
(By The Associated Press)
Chicago hog prices were 75 cents to \$1 a hundred pounds lower today on receipts which were the highest since January in all the nation's major hog markets. The American Meat Institute reported that the wholesale prices of all meats have declined from 3

to 18 cents a pound from the mid-September peak while production during the week ended November 1 was 26 per cent above the August weekly average production. Estimated receipts of hogs at the Chicago yards were 24,000 including 11,000 sent directly to packers and the run exceeded expectations by about 5,000.

D.A.V. Financial Drive Underway

Dr. G. C. Rifenbary Names Division Chairmen for Kingston

Solicitations for the National Service Fund of Disabled American Veterans has begun in this city and in the townships of Ulster county.

The campaign in Kingston was officially opened Wednesday when Attorney B. A. Culliton, a veteran of World War II, delivered a talk over the local broadcasting station.

Dr. G. C. Rifenbary, chairman of the Kingston drive, has announced the following division chairmen: Arthur A. Davis, Jr., Mrs. Arthur W. Hazenbush, Jack Meagher, Miss Gay Chambers, Dr. Paul Perlman, Charles H. Gaffney, Mrs. Roger Billings, Mrs. Stanton Warren, and Mrs. Rifenbary.

Dr. Rifenbary pointed out that Kingston's quota for this drive is the lowest ever given this city for any national campaign. D.A.V.'s modest request, is nonetheless urgent at this time, when disabled veterans are still leaving the hospitals by the hundreds and coming back into civilian life, and every accredited agency, private or public, serving disabled veterans, is needed.

Dr. Rifenbary considers the D.A.V.'s service program, for which the National Service Fund is being solicited from people of the nation, the "ounce of prevention which is the pound of cure."

"Look at it this way," said Dr. Rifenbary in an interview yesterday. "The principal aim of the D.A.V. is to get as many of our disabled as possible back to self-respecting, gainful employment. There are about 2,500,000 disabled veterans in the United States today as a result of World War II, most of whom have from 25 to 40 productive years ahead of them."

"To keep these men idle through lack of expert, direct and personalized assistance such as that provided by the D.A.V., would not only rob them of their self-esteem, but create a vast economic loss. The cost of rehabilitating handicapped people in general is about \$300. Often, such a person, when placed in a productive job, pays back in the form of federal, state, and local taxes, during his first year, more than this outlay. A

the same time, he ceases to draw from public funds, except for compensation for specific and lasting injuries."

Dr. Rifenbary added, "The D.A.V. is not appealing to your sympathy or your patriotism, but is presenting a practical plan for making useful, independent citizens of our war-disabled." He then listed the following steps in the service which the D.A.V. renders a veteran: It helps him to obtain intended government benefits; it counsels him in deciding on training or schooling in the type of work for which his inclination, aptitude, and disability render him most capable; it helps him get a suitable job.

Andrew J. Cook, Jr., chairman for Ulster County for the D.A.V. campaign, reports that his chairman throughout the county have also commenced their drives. Chairman for Saugerties, not announced before, is Albert Perkins. Saugerties-Woodstock road. Donald Van Etten, chairman at Kerhonkson, reports that Kerhonkson has almost reached its goal.

The regular meeting of Charles DeWitt Council 91, Jr. O.U.A.M., will be held Friday evening, November 7, at 8 o'clock at the Mechanics Hall, 14 Henry street. Nomination and election of officers will be held. Following the regular business session a celebration will be observed in honor of member Oscar Newkirk, mayor-elect of Kingston. All members are urged to attend.

Says He Fired Meyer

Washington, Nov. 6 (AP)—A former general manager of Howard Hughes' aircraft company told a Senate committee today he fired publicity man John W. Meyer "because I had no control over him."

Charles W. Perelle, who was hired by Hughes at \$75,000 a year to take over management of the Hughes Aircraft Co., said he discharged Meyer because he couldn't find out what the publicity man was doing.

Leehive Is Named Kiwanis President; Others Are Chosen

William F. Leehive was elected president of the Kingston Kiwanis Club at its luncheon meeting in the Governor Clinton Hotel today. He replaces G. Herbert De Kay who held the office for 1947.

Other officers elected were: Harry Rigby, Jr., vice-president, replacing Leehive and Fred L. Van Deusen, treasurer, to succeed him.

Directors named for three years were Delno R. Ellis and Richard F. Riseley.

The new president said he considered himself in the position of a "quarterback on a football team," and he asked the club to function with its usual team-work throughout the year.

The election followed a report by Joseph Deegan, chairman. He moved the election of the slate as

selected and that the secretary cast a single ballot for the election of all officers named on the ballot. The members were urged to give full support to the forthcoming Christmas party, plans for which are in progress.

Mr. Leehive reported that the directors went on record as favoring a party for members of the cast of Kiwanis papers and indicated that details for the event will be announced later.

To Ask Relief Law

New York, Nov. 6 (AP)—A city councilman said today he would seek a local law requiring two years' residence in the city for relief eligibility, as state investigators heard testimony that 13 clients involved in 9 relief cases handled by the Municipal Welfare Department "refused to take jobs."

Missing in India

The wife of Theos Bernard, above, of New York and Santa Barbara, Calif., reported him missing and possibly killed after tribal raiders in the northern Punjab, India, attacked his party and killed his Moslem servants. Bernard, a noted scholar on Tibet, was on his way to that country when attacked. His wife escaped to New Delhi by fleeing 128 miles on foot through the isolated Kulu valley.

ters here and do not propose to attempt it.

"This committee is not attempting to try any tax case," Ferguson said.

He read into the record two letters from the Bureau of Internal Revenue which said any additional tax assessments are subject to review.

Brig. Gen. J. F. Phillips, whose name figured in last summer's phase of the committee's investigation into \$40,000,000 worth of

war contracts awarded Hughes for two new-type aircraft, was scheduled as a witness today.

An air force memorandum introduced then said Phillips had given A.A.F. officials the "history of the political background of the F-11 (photo reconnaissance plane) project."

DON'T BLAME YOUR GROCER

IN FAIRNESS to retail grocers throughout the country, we of H. J. Heinz Company feel called upon to make a frank statement to the housewives of America.

During the last few weeks, millions of you homemakers have taken advantage of Heinz special soup offer—have bought three tins of Heinz Cream of Tomato Soup and received one tin of another Heinz Soup free.

Despite the fact that H. J. Heinz Company and your grocer were well aware of the quality of Heinz Soups, it was almost impossible to foresee the tremendous demand this special offer would create. Obviously an offer of this kind has to be limited. If your grocer is one of the many whose supply of special coupons has been depleted, he is no longer able to make you this unusual offer. So please understand the situation.

Grocers, however, have plenty of Heinz Soups available. Every one is carefully made, perfectly seasoned and reasonably priced. So ask for the kind you like best—popular Cream of Tomato, Chicken Noodle, Vegetable Soup and the rest of your family's favorites.

Coffee, Cream, Sugar Cow Dream Shattered

Washington, Nov. 6 (AP)—Without a quail, the Department of Agriculture shattered a dream today.

It was a dream of a cow that would give coffee with cream and sugar.

Don't laugh yet. Last week the department reported that a method has been devised to feed waste pulp of the coffee bean to dairy cattle. It was an important development for Central and South American countries.

So, Well, any country boy knows that certain feeds do affect the taste of milk. Onions, for instance, maybe coffee pulp—

"No," said the Department of Agriculture man firmly, "this coffee pulp does not impart a coffee flavor to the milk, otherwise we never would have issued the . . . no, it's impossible. No, you couldn't feed the cow coffee pulp and cane sugar pulp and have . . . fantastic."

Okay. Okay. It was just an idea. Now what do you suppose a cooperative cow could do with some eggs, whiskey, rum and nutmeg during the forthcoming eggnog season?

During the gold rush days of '49, a pinch of gold dust was the popular price for food and drink in California.

Barone-Beau Fight Tops B'nai B'rith Ring Card Tonight

Jim Wall Replaces Decker In Return Bout With Morton

Kingston Municipal Auditorium is expected to be jammed to capacity tonight for B'nai B'rith boxing card featuring a return match between Tony Barone and Jimmy Beau, two of the best action fighters in the amateur ranks.

Aside from one change, the card will go on at 9 o'clock as announced originally. George "Babyface" Decker's challenge match with Harold Morton has been called off at his own request, because he feels he isn't ready.

Decker's place on the bill will be filled by Jimmy Wall, another Poughkeepsie leather pusher, who boxed a hectic five rounder with Harold Morton on the open air show during the summer. The result was a split decision. Their duel tonight may give the main attraction a real run for the spotlight.

Barone, the Schenectady battler who went to the finals in the national A.A.U. tournament in Boston, holds a decision over Beau, the Poughkeepsie better, counts on making it two in a row tonight.

Beau, who is expected to draw a large following from the Bridge City, feels that he can even the score. "I think I should have had the decision in our first match," he opined, when the re-match was made.

Both scrappers are real action boxers, popular with the fans, and for this reason a large attendance is looked for at tonight's ring program.

The complete card:
Five Rounders
Tony Barone, 147, Schenectady vs. Jimmy Beau, 150, Poughkeepsie.

Mike Salle, 145, Poughkeepsie vs. Rici Leland, 147, Gary, Indiana.

Al Williams, 168, Poughkeepsie vs. Buck Raven, 170, Gary.

Harold Morton, Albany featherweight vs. Jimmy Wall, Poughkeepsie.

Three Rounders
Mickey Starr, 118, Poughkeepsie vs. Howard Keys, 118, Utica.

Barney Emerson, 122, Kingston vs. Pat Saruth, 120, Schenectady.

Sam LoGalbo, 137, Utica vs. Jack Buckley, Newburgh, 135.

Little Rose Bowl Now Has Junior Colleges Guessing

Pasadena, Calif., Nov. 6 (AP)—A young but lusty lugged bear known as the Little Rose Bowl is doing his level best to revive what once was a great national guessing game—picking the Rose Bowl teams.

The guessing contest was abandoned when the Pacific Coast and Big Nine Conferences made the New Year's Day classic a closed affair, leaving no surprise and less national curiosity.

The guessing ended, that is, until the Little Rose Bowl was born a year ago, and speculation began on a smaller scale, over an annual battle between junior college teams.

There are some 600 junior colleges in the country, and judging by the stacks of letters, telegrams, pleas, prayers and ballyhoo, interest this year for the second annual game is widespread.

Sponsoring Pasadena Junior Chamber of Commerce officials displayed the communications today for the Dec. 13 encounter.

They came from such distant points as Teaneck, N. J.; Campbell College, N. C.; Everett, Wash.; Tennessee Wesleyan at Nashville; Georgia Military Academy, a school at Bucks county, Pa.; Worthington, Minn.; Thatcher, Ariz.; New Mexico Military Academy, and McCook, Neb.

One school guaranteed a 100-piece band; others a trainload of rosters, and all swore they had the finest football team in the land.

Kalamazoo, Mich.—Marty Marshall, 180, Detroit, outpointed Chet Harter, 193, Fort Wayne, Ind., 10.

Pertinent Facts On Irish-Cadet Gridiron Series

Joe Cahill, West Point press agent, sends along the following pertinent information on the Army-Notre Dame series...

Series began November 1, 1913 at West Point... Notre Dame, introducing the forward pass for the first time in the East, smothered Army by the score of 35 to 18.

Gus Dorais and Knute Rockne, Irish immortals, paved the way... Notre Dame won 22 of the 35 games played with four ending in a tie. Deadlocks occurred in 1922 (0-0); 1935 (6-6); 1941 (0-0); 1946 (0-0). Army has entered the traditional classic unbeaten on 18 occasions (1913, 14, 16, 17, 20, 22, 23, 24, 25, 26, 28, 30, 33, 41, 43, 44, 45, 46) while the Irish go them two better, coming in unbeaten in 1913, 16, 19, 20, 22, 23, 24, 25, 26, 27, 29, 30, 32, 35, 40, 41, 45, 46, and 47.

Both teams came up undefeated in 1913, 16, 20, 22, 23, 24, 25, 26, 30, 41, 43, 45 and 46. The Irish built up its lead primarily in the twelve year span from 1932 to 1943 inclusive, during which time the best the Cadets could do was a pair of ties, 1935 and 1941.

The widest margin of victory was the 1944 game in which the West Point aggregation galloped to a 59-0 victory.

The pair of decisive triumphs in 1944-45 by Army marks the only time in the 33 year history of the series that the Cadets have had two consecutive wins.

This is Army's 57th football season, having started in 1890. Army's record to date this fall is 4 won, lost 1, tied 1.

The Cadets defeated Villanova, Colorado, Virginia Tech and Washington and Lee, while losing to Columbia and tying Illinois.

Notre Dame is undefeated, romping over five opponents, beating Pittsburgh, Purdue, Nebraska, Iowa and Navy.

The first nine games of this leading intersectional rivalry were played at West Point. In 1923 the game shifted to Ebbets Field, Brooklyn, and in 1924 to the Polo Grounds.

Due to the tremendous demand for tickets, a third and final shift to spacious Yankee Stadium was made in 1935 where it has remained down through the years, with the exception of 1930, when the teams met in Chicago.

Since taking over the coaching reins at West Point in 1941, Earl H. "Red" Blaik's record against the Irish is won 2, lost 2, tied 2.

Two Ex-Yankees May Join Joe McCarthy With Bosox

Boston, Nov. 6 (AP)—Although new Red Sox Manager Joe McCarthy has yet to make known his desires to General Manager Joe Cronin it was believed today that Marisa Joe's assistants next season would include Earl Combs as coach and Ed Forelich as trainer.

Combs who yesterday asked for his release from the St. Louis Browns as a coach, was a lieutenant of McCarthy's for years with the New York Yankees. Forelich has resigned as Yankee trainer, a post he had filled under McCarthy.

Both Extremes
Colorado Springs, Colo. (AP)—Colorado College hockey fans will see teams from both extremes of the United States this season.

Harvard University's sextet will engage the Tigers here in two games, and the San Francisco Olympic Club will furnish opposition from the other end of the nation.

Bowling

Colonial Women
Rose Schatzel posted the lone 500 triple in the Colonial Women's League activities at the Central Recreation alleys Wednesday night when she rolled 223-569. Despite her 500 the Central Recs dropped the odd game to Elston Sport Shop.

Arleen Van Buren, petite lettrite of the Smith Avenue Storage squad came through with the second high single of the night with 209 and a 84 series.

Margie Jansen and Reta Fredrickson wound up with identical triple counts of 489. Margie smashed an even 200 while Reta posted a high of 203.

Catholic A.A.
P. and J. Nagy divided the spotlight in the Catholic A.A. Bowling League Wednesday night as they grabbed off both high single and high triple respectively. P. Nagy hammered home a gaudy 235 single and wound up with a 559 series.

While J. Nagy's 581 triple topped the loop in that department, his high solo was 220.

Other noteworthy scores rolled last night include Jack "Daisy" Schatzel with 213-579, Ed Schupp 200-571, Jack Hartman 202-554, L. Yarnetti 184-553, Ed Norton 198-538, F. Auringer 198-538, R. Mayone 193-538, J. Enright 203-538, Ken Radet 224-524, F. Sycca 211-524, J. Mannello 192-512 and Gilday 190-507.

Y Church League
G. Woodvine topped the Y.M.C.A. Church League, American Division, Wednesday night with a 534 single on a run of 178-163-193.

Frank Roe's singleton topped the loop in that department. Roe finished with a 519 series.

L. Brown posted 184-519, Doug Kennedy collected 182-516 and Harold "Chick" Smith hit 195-510 for other noteworthy scores.

WILLIAMSON'S PREDICTIONS

It's Army-Notre Dame week. At South Bend, the Cadets and Irish will end one of football's greatest rivalries in what many fans consider the game-of-the-year.

Notre Dame should win by at least two touchdowns, according to the ratings, and if Frank Leahy's men have really been playing under wraps as suggested by many experts.

While South Bend is vibrating with murderous blocks, and vicious tackles, the City of Brotherly Love will be rocking from the joits of unbeaten, record Penn's clash with Virginia's Cavaliers, also of the perfect-record brand.

Pick Virginia in Major Upset
The Williamson System likes Virginia, in reverse, to put the stopper on roaring Penn, thus avenging the 40-0 drubbing the Cavaliers absorbed from the Quakers last year.

Southern Methodist, whose Mustangs stopped Texas last week to remain unbeaten and untied, will handle Texas A&M. Southern California rates a romp over Stanford; Boston College will show too much beef to Wake Forest, and Michigan, the nation's No. 1 team, will roll over Indiana.

Hamar Has Busy Day
Up in Swedish Lapland, Hamar Oesloe had a busy day, Enonteki reports. In the forenoon, he took second place in the shot-putting event in the local sports meet. Then he rushed around to the church to be married at 12:30 p. m.—and hurried back to win first prize at discus throwing, at 1 o'clock.

Turnesa Paces Field
Pinehurst, N. C., Nov. 6 (AP)—What shaped up as a free-for-all scramble for North and South Open golf top honors after a tight first round, threatened today to become a one-man show. Y., scorched the 6,879-yard No. 2 course with a 32-34 second round yesterday to gain the 36-hole lead at 137 in this \$7,500 event with a top price of \$1,500.

nation address also reviewed economic matters.

Speaking of food prospects, he declared that "this year's harvest was 58 per cent better than last year's." He said Russia is "not threatened by the economic crises without which capitalism cannot exist."

"We have no unemployment and shall not have any," he said.

Russia's "industrial output has reached prewar levels," Molotov said.

"Had there been no war, there would today have been unheard-of advances in our cities and towns. But for the war, which destroyed many important agricultural centers, we would be better supplied today than any other country in Europe or elsewhere."

Molotov said the 30 years of Russia's history since the revolution could be divided into three periods.

"The first, between 1917 and the firm establishment of Soviet power, up to the first five-year period."

"The second, the period of the second World War—the great patriotic war."

"The third, the new period which is just beginning."

Court Room Fight

Features Hearing

Augusta, Ga., Nov. 6 (AP)—William S. Morris, chairman of Governor M. E. Thompson's faction of the Democratic party in Georgia, was knocked down and pummeled by a supporter of Herman Talmadge in the Richmond county Superior Court room today.

The incident occurred shortly before a hearing was scheduled to open in a court suit by Talmadge's Democratic Chairman, James S. Peters to determine which faction controls the party in Georgia.

Morris, publisher of the Augusta Chronicle, walking up to Roy Harris, former speaker of the state house of representatives, as the latter stood talking to attorneys in the courtroom.

"Roy," Morris asked, "do you publish the Augusta Courier?" Harris replied, "Yes, Bill, I do."

"Well," pursued Morris, "anybody who publishes that is a —"

Without answering, the chunky Harris leaped upon Morris, a taller and heavier set man, knocked him sprawling in the jury box and beat him about the face. Other attorneys intervened and pulled Harris back, helping Morris to his feet.

The Augusta Courier is a political paper which advocates white supremacy.

Farm Bureau Arranges Membership Meeting

A "check-up" meeting and banquet for committeemen on the Ulster County Farm Bureau membership drive and their wives will be held at the Clinton Avenue Methodist Church hall December 1, Albert Kuntz, Farm Bureau manager announced today.

The group will be addressed by Frederick Snyder, local traveler and lecturer, and reports on the campaign will be discussed.

The membership drive for 1948 is already above 500, the bureau manager said. The membership this year was nearly 4,300 and the "pay-by-mail" phase of the campaign is again stressed in the drive for 1948 membership.

Woman Becomes Bookie

Mrs. Faye Slade, widow of Bert Slade, who was one of Rhodesia's best-known bookmakers, was licensed recently as the colony's first woman bookie, by the Betting and Totalizator Control Committee, in Salisbury. The license, issued in Bulawayo, was granted on condition that Mrs. Slade take a partner, so it is thought unlikely that she will operate on a race-track.

Weisberg's to Hold Store Opening

Alterations Are Completed at 271 Fair Street

Alterations at Weisberg's Fashion Center at 271-273 Fair street have been completed and on Monday, November 10, there will be a grand opening of the store to which the public is invited. Recently Mr. Weisberg took over the entire ground floor of the building, completely renovated the two stories which formerly were in the building and incorporated them into one large store.

With this added space several new departments were installed, including lingerie, sportswear and ladies accessories. In addition to the line of ladies' coats, suits, dresses and furs, which were formerly carried by Weisberg's, the store is now one of the most modern women's wear shops in town carrying lines which make it possible to purchase a complete costume under one roof. The fixtures, lighting and display cases are of the latest design and every modern convenience has been added to provide the best service to customers. Spacious and comfortable fitting rooms have been installed for the convenience of patrons and the entire store has been redecorated.

Shoe production in the United States during 1945 exceeded 500,000,000 pairs.

School Forum
Editor, The Freeman:
Kingston has joined the many cities throughout the country who are featuring "high school forums" over their local broadcasting stations. Our thanks go to Mr. Hugo Wessler, who has inaugurated the Forum, and in which our principal, Mr. Clifford Hall, and our faculty advisor, Miss Mary Kelly, have given full support in its presentation.

We, the pupils of Myron J. Michael School, warmly welcome this educational program for it will give the students an opportunity of expressing their views on topics that will be arranged for them. It will also awaken us to a realization that we must become well informed on matters, not only having to do with our school work, but also what is going on in our country and in lands far removed from our shores. In that way we will have a wide knowledge of subjects that will stand us in good stead when we reach maturity and will be better fitted to understand the problems that are bound to face us later on. These discussion forums will also be an incentive to read better books, listen to worthwhile radio programs of which there are so very many to listen to.
